To the DOCTOR of .............................................................................................................. Date of Birth ........................................

ADDRESS ........................................................................................................................................................................

DEAR DOCTOR

This school would appreciate receiving relevant medical information about the above named student so that school staff can manage him/her appropriately:

• At school
• During physical education or sporting activities
• During excursions, camps, aquatics or other out of school activities

This matter has been discussed with the parents/careproviders who have agreed to the release of any relevant information.

PRINCIPAL ............................................................................. DATE ........................................

What is the nature of any medical condition which may affect this student during school activities?

What special considerations are involved for management of this condition? (NB the need for medication or restrictions of any activities, etc)

What emergency situation, if any, could arise as a result of the medical condition?

What emergency action do you recommend for such an emergency?

Any additional comments or information which you consider to be relevant:
