Dear Parents/Caregivers,

We are in the process of upgrading our website to become far more user friendly, informative and promotional. The new site, to be launched in October, will perform the following functions:

- A thorough repository of all school information and documents that current and prospective families may need
- Information on all current and upcoming event coverage to give families a comprehensive view of what is happening in our school. This will include a ‘Newsflash’ function for emergency type situations, such as bushfire alerts.
- Regularly updated feeds from the Principal.
- Promotion of the vast range of exciting and interesting student achievements, our broad and inclusive curriculum, our experienced and committed staff and the broad and challenging activities that make Pt Lincoln High School so successful. Our webpage will be utilising video and photographic media prepared both professionally and by students.

In order to display this content, which will include images and video footage of students, the Department of Education and Child Development (DECD) requires consent to be given by parents/guardians. Parents need to be aware that this content, should it be published, will be available to view on the internet, used in school publications and in promotional formats, such as visual displays in the community.

Wherever possible, names of children will not be posted with images.

As we move further into the technological age, more documents will be distributed electronically. We currently have plans for this to be the case with upcoming School Yearbooks and Newsletters. This issue regarding consent will therefore become more commonplace.

By completing and returning this form, you are providing permission for PLHS and DECD to use:

☐ An image or recording of your child which appears in a photo/video file and or recording to be published on paper and/or internet under a CC-BY-NC License (Creative Commons).
☐ Your child’s work samples on paper and/or internet under a CC-BY-NC License.

The permission granted by this consent will stand for the duration of your child’s enrolment at Pt Lincoln High School unless otherwise stipulated.

At any stage, should parents/guardians wish to have images removed from publication, we will make every endeavour to achieve this. Consideration will be made for images of ATSI students and their work in the event of students passing away.

Please complete and return the Consent Form below. Should you have any questions regarding this Permission Form, please do not hesitate to contact the school.

Yours truly,

[Signature]

Mr Tony Green
Principal
