

This form is to gauge student interest in specific subject offerings. The information collected will be used to determine which subjects are available for student choice in 2024. Year 10 students will study 14 semesters in total (i.e. 7 subjects per semester). Compulsory subjects (i.e. English, Maths, Science, History and HPE) account for 8 semesters. Students will have 6 semesters of 'choice'. If wanting to enrol in VET options in Year 11, please ensure Year 10 prerequisites are included in preferences.
