

This form is to gauge student interest in specific subject offerings. The information collected will be used to determine which subjects are available for student choice in 2024. Year 11 students will study 12 semesters including some compulsory subjects (English – full year, Maths, EIF/AIF). Most Year 11 students will have 2 semesters of Supervised Study and approximately 7 choice semesters. Students will complete their subject selections in Week 10 of Term 3.
