SA GOVERNMENT SCHOOLS AND CHILDREN'S SERVICES INFORMATION PRIVACY STATEMENT

The Department for Education and Child Development is committed to respecting the confidentiality of information provided by children/students and parents, for example, information requested on child/student enrolment forms. While only student's name, date of birth and place of residence are requirements of the *Education Act 1972*, other information is requested to enable the Department to:

- Undertake administration and care responsibilities including maintaining emergency contact information;
- Communicate with you about important matters;
- Provide first aid and plan for child/student health support requirements;
- Provide all resource entitlements;
- Collect necessary statistical information and undertake analysis of the composition and performance of the child/student population; and
- Meet reporting requirements, including to other government authorities and funding agencies.

If organisations are contracted on behalf of DECD to undertake tasks which require access to enrolment data, the contract(s) between DECD and those organizations will include strict confidentiality and disposal provisions.

It is a Commonwealth Government requirement that all schools across Australia ask the questions marked * on their school enrolment forms. Only unidentifiable data is reported to the Commonwealth. In accordance with State Government Information Privacy Principles (<http://www.archives.sa.gov.au/privacy/principles.html>), no personal information is reported publicly which could identify individual persons.

The information provided in Enrolment Forms is stored securely in local school/preschool and Departmental databases. While your child is enrolled in a DECD site other information will be gathered relating to your child's education and wellbeing; for example records of learning progress, absences from school, behaviour, health and social development reports, observations and assessments. The management of these data is governed by State and Departmental policies to ensure that the information is used only for the purposes stated above and is secure, private and confidential. The disclosure of personal information held by Government is regulated by the Information Privacy Principles (see reference above). Unless required to so by a law of the State or Commonwealth, as permitted by the Information Privacy Principles or in accordance with the ISG (see below), the Department will not otherwise disclose the information to others without your consent.

INFORMATION SHARING STATEMENT

There will be occasions where sharing information with others outside this site will be important to your child's educational progress, safety or wellbeing. In these circumstances DECD follows the SA Government's *Information Sharing: Guidelines for Promoting the Safety and Wellbeing of Children, Young People and Families (ISG)*. www.gcyp.sa.gov.au
Under the ISG your consent for the sharing of personal information about your child will be sought and respected in all situations unless;

- it is unsafe / impossible to gain consent or consent has been refused *and*
- without information being shared, a child or children will be at increased risk of serious harm.

The aim of information sharing under the ISG is to protect and promote the safety and wellbeing of children, young people and their families. This site works with parents/caregivers and other agencies/services to achieve that aim. Parents /caregivers are strongly encouraged to share all information relevant to their child's capacity to enjoy and benefit from education;

- by using the 'any other information' section of this form, and/or
