	CATERED LUNCH (SENIOR FLOOR)		

Notes –

All lessons start at the usual lesson time (Wednesday as per other days)

Lunch for year 12's will start at 12:25 (no need for a long lesson)

Students attend 2 lessons per subject – attendance will be taken at the lessons and there will be approx. 20mins of homework expected for each subject (due at the second lesson)

During times when students have no allocation, they will be expected to be on the senior floor in the study space completing their Research Project. Some exceptions will be given to those that have completed RP (I'll liaise with JT)

Rooms to come – I need the leaders to allocate appropriate spaces and then we will have to move some classes.
