## STUDENT VOICE

At PLHS, we hope to inspire learning through quality teaching, to value difference and celebrate the successes as students realise their potential and contribute positively to the community. Our school values student voice in all components of our community.

Student leadership is enabled through our Student Representative Council (SRC), their involvement in whole school events and building a positive school culture and sense of belonging.

## COMMUNITY CONNECTIONS

The Student Wellbeing team supports students not only whilst at school, but also helps to connect students with a variety of external community agencies and service providers such as:

- West Coast Youth and Community Services (WCYCS)
- Headspace
- Child and Adolescent Mental Health Services (CAMHS)
- Centacare
- Port Lincoln Aboriginal Health Service (PLAHS)
