Student/s Name/s: Year Level/s

PLHS Governing Council (GC) works with the Principal and staff to set broad directions and visions for the school. Membership on the Council provides information about developments, improvements, and subject choices.

Governing Council provides an avenue for the involvement of parents and the school community. We identify the educational needs and attitudes of the local community to educational priorities within the school.

This group also has the important job of ensuring that the cultural and social diversity of the school community is respected, and the needs of all students are met.

Membership on Council is a positive way of making this great school even better so please come and join the team and enjoy the energy and satisfaction that this group brings.

To express interest for **Governing Council** please call Rachael Boyce at the school on 86836000 or return this form and/or give Brian Gabb a text on 0467041134 to find out more.

Thank you.

Want to be heard and have input but don't have time for meetings?

The **Parent Reference Group** are volunteers who provide a "communication hotline" to give feedback and opinion to the Governing Council. Hotline members can ring/text/email us and Governing Council can do the same.

No meetings involved. Just 5-10 minutes of confidential and frank conversation a few times / year on the topics that matter to you.

Please help us out to connect parent voice.

To express interest for **the Parent Reference Group** please call Rachael Boyce at the school on 86836000 or return this form and/or give Brian Gabb a text on 0467041134 to find out more.
